

IRONMASTER SUPER BENCH

SKU: IM-1003

PRODUCT DESCRIPTION

- 11 lock out angles: Inclines, Declines, Flat and Upright. 0, 5,10, 20, 30, 40, 50, 60, 70, 80 and 85 degrees.
- 1000 lb rated, 11 & 12 gauge super strong steel frame. (600 lb rated for incline/upright positions.)
- Unique adjustment ring with foot lever adjust operates from both sides and locks up tight! Patented design US 6,994,661.
 - Ultra stable strong platform in all positions yet is easy to lift and move.
 - Bench weighs 60 lbs without incline seat (shipping weight 74 lbs.)
 - Powder coated frame with chrome components.
 - 44" long x 18.75" wide x 20" high overall dimensions (18.75" x 41" frame footprint).
 - 44" x 10" x 3" thick commercial grade pad and stitched vinyl upholstery. Firm and comfortable.
- The 3 position incline seat easily plugs in from the side without any pins. It is tapered so it does not cut into the inside of your legs and you can move the seat up or down for optimum comfort. Seat height from the floor in the upright position is 16", 14" or 12". Backrest pad is 31" above the seat in the highest position.
- Incline seat follows backrest pad at any angle so it will always be perpendicular unlike other benches where the seat can have a shallow angle allowing the user to slide off.
- Accepts a growing list of optional attachments like the Crunch Situp, Dip Bar Handles and Chin Up Bar.

*Assembly service for super bench will be \$40. Additional charges apply for assembly of other attachments.
