CYCLE WITH ELITE PERSONAL TRAINERS

## GLOBAL WORKOUTS

## Build Your Body and Mind

One of the beauties of iFit is that the workouts don't end when your ride does. iFit features a myriad of strength training workouts aimed at building your body, while our mindfulness sessions provide the mental health exercises for a sound mind.

**STRENGTH TRAINING**

## Work Out Smarter with NordicTrack

### Automatic Trainer Control

Join workouts where your iFit trainer digitally adjusts your incline and resistance in real-time so your only focus on having an incredible workout.
